

The Easter Story Trail

Good Friday - Easter
Sunday 2021

This year we will be keeping Easter differently again with the church still closed for public worship.

Join us instead on this trail around the parish and walk with us from Palm Sunday to Easter Day and discover the Easter Story for yourselves. Follow the map, visit the stations, answer the quiz and take part in the activities. There might be something to collect at the final station for those who follow the journey to its end.

If your smartphone is able to read QR codes, you will find additional material available at each stop – but don't worry, you will still be able to answer the questions without a smartphone.

Please keep to the social distancing guidelines throughout to keep everyone safe.
